grangelawntc

The Grange Lawn Tennis Club was founded in 1940 and seeks to provide opportunities for people of all ages to enjoy the game of tennis either competitively or socially on hard, lawn and synthetic courts, with a special focus on the development of junior tennis in the Grange community.

Grange Lawn Tennis Club is unique in that it provides 3 different surfaces to play on.

Juniors: Boys and Girls (under 18) teams play Saturday mornings (and Friday evenings in summer for Premier and A divisions). For beginners the association hosts a Hot Shots division using lower compression balls. A Winter competition is also offered for Juniors.

Seniors: Women's and Men's teams play Saturday afternoons over summer from 17 Oct. The club has women's and men's teams for Singles/doubles and Mixed doubles only teams.

Social Lawn Tennis: Summer lawn tennis is played on Wednesday (Mens) & Saturday (Mixed) afternoons. New players are always welcome to come for a hit.

Social: Mid-week Ladies tennis is played on synthetic courts year round on Wednesday mornings, as is Men's night tennis on Tuesday evenings.

Mixed + Juniors is played on hard court Thursday night. Visitors are welcome and the fee is \$7 per person per session. Use of lights is an additional charge of \$3.

Cardio Tennis sessions are also available for adults looking for a work out.

Membership

We have various membership types:

- **Senior/ Lawn Memberships**
- **Junior Memberships**
- **Family Memberships**
- **Social Memberships**

Come Along and experience our little slice of Heaven Meet the friendliest group of people around, while having a hit of tennis. First visit is free with very reasonable Memberships and Coaching available.
